Best Law Firm for Women!

We got a memo today stating this:

We are pleased to announce that Sidley has been named as a Best Law Firm for Women by Working Mother magazine and Flex-Time Lawyers for the third year in a row. Sidley is among the 50 winning law firms praised for their continued attention to work/life and women's issues and for their use of flex-time, reduced-hour and other family-friendly policies to ensure the future success of the profession. Sidley is one of only 15 law firms that have received this honor every year since the list's inception.

Yeay! Go Sidley!!!!
