Working Mother Magazine and Flex-Time Lawyers Rates the Top 50 Law Firms for Women

Submitted by [Kat](#) on 11 August 2009 - 9:38am.

Working Mother Magazine and Flex-Time Lawyers recently released its list of the top 50 law firms for women. The firms "were evaluated on their workforce profile, family-friendly benefits and policies, flexibility, leadership, compensation, and their advancement and retention of women, among other factors."

The firms that made the top 50 have "more lawyers working reduced hours (8 percent versus 5 percent nationwide) and also employ more female equity partners, who share in their firm's profits (20 percent versus 16 percent nationwide)." To view the complete list of the Top 50 firms, [click here](#).
